Motivated and passionate React Developer with hands-on experience in building and maintaining responsive web applications. Adept at collaborating with cross-functional teams, developing scalable UI components, and improving user experiences. Seeking to leverage my skills in React and front-end development to contribute to a dynamic development team.

Technical Skills

- **Languages:** HTML5, CSS3, JavaScript (ES6+), React JS, TypeScript
- **Frameworks & Libraries:** React, Redux, React Router, Styled Components
- **Tools :** Git, GitHub
- **Other:** Responsive Design

Experience

OCTOBER 2024 – PRESENT

React Developer/TrueID, Hyderabad

- Develop and maintain responsive web applications using React, ensuring cross-browser compatibility and mobile responsiveness.
- Collaborate with back-end developers to integrate RESTful APIs and ensure smooth data flow between the front-end and back-end.
- Work with the design team to implement UI/UX designs and improve the overall user experience of the application.
- Implement state management solutions using Redux and Redux toolkit.

Key Achievements:

- Contributed to the development of IDM Demos portal, Clustering portal, Acquiring portal and resulting in an improved user experience.
- Helped reduce page load times by optimizing React components and implementing lazy loading.

JULY 2022 – SEPTEMBER 2024

React Developer Intern/ TrueID, Hyderabad

- Assisted in building user interfaces for web applications using React.
- Worked with senior developers to integrate third-party APIs and ensure data consistency across the application.
- Developed reusable components and maintained component libraries for various applications.
- Assisted in debugging and troubleshooting issues in the application to ensure optimal performance.

Key Achievements:

- Successfully integrated "Auto document capture and face capture" feature using Innovatrics which was later adopted into the main product.
- Improved UI responsiveness by adapting design components to be mobile-friendly.

Education

MAY 2024

Bachelor of Technology - 8.0 *CGPA*

Prakasam Engineering College, Dubagunta, Andhra Pradesh

MARCH 2020

Intermediate (MPC) – 9.9 *CGPA*

Narayana Junior College, Kandukur, Andhra Pradesh

APRIL 2018

SSC – 10.0 *CGPA*

Siddhartha High School, Kandukur, Andhra Pradesh

Soft Skills

- Problem-solving ability
- Excellent communication and teamwork skills
- Time management and adaptability in fast-paced environments
- Quick learner with a passion for continuous learning and development
